Swimming

MY LINKEDIN RECOMMENDATIONS

Oleksandr Pikovets, Software Engineer at SPS Commerce

Raj is a professional and hard working person. He has an outstanding passion to continuously improve himself and become better in what does every day. It is very comfortable to work with Raj since he doesn't only learn but also share his knowledge with all his team members to make people around successful as a team....

Andrew Ryback, Manager at SPS Commerce

Raj is a very dedicated and smart software engineer. Raj impressed me with his great ideas and his willingness to push his knowledge of software engineering all the time. He's always open to learn new technologies and to get new tasks. I am looking forward to working with him again....

Paritosh Chandorkar, Team lead at Bristlecone

Talent hits a target no one else can hit; Genius hits a target no one else can see." is the phrase that comes to mind when I think about Raj. I was impressed with Raj's ability to Think innovatively and find out solutions to complex problems. And, of course, his Technical Skills are impressive....

Prakhar Jain, Consultant at Bristlecone

Raj is an extremely meticulous and well-organised professional with a detail-oriented attitude towards his work. I had the pleasure of working with Raj at Bristlecone, collaborating on several projects. During our association, I have found him to be extremely enthusiastic and fully committed towards his work and goals....

B.E. PROJECT

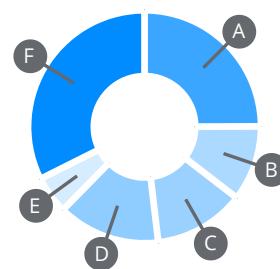

Stock Market Prediction using Neural network and Sentiment analysis

📅 2017 📍 Pune

Summary:

- Created a machine learning algorithm that predicted the opening and closing price of stocks for the next day.
- Combined the usage of past data along with sentiments from twitter.
- Technology used : Python, Tensorflow, Keras, Html, CSS, Javascript, Selenium webdriver.

MY TIME

- A Programming
- B Entertainment and Relaxation
- C Physical Fitness
- D Acquiring new Skills and Studying Japanese
- E Meditation
- F Sleep

MY LIFE PHILOSOPHY

Don't judge each day by the harvest you reap but by the seeds that you plant.

- Robert Louis Stevenson
